

Team Meeting

September 27th 2024

1:30 PM

Central King Building

Meeting called by:	Lorenzo Troia	Type of meeting:	In-Person
Facilitator:		Note taker:	Lorenzo Troia
Timekeeper:			
Attendees:	Aidan Blackmon		
Please read:	TEAM PROJECTS article, YWCC 307 canvas module		
Please bring:	Laptop		

Minutes

Agenda item:	Determine Project Presentation Topic	Presenter:	Aidan Blackmon, Lorenzo Troia
--------------	--------------------------------------	------------	-------------------------------

Discussion:
Group members are to determine the topic for a team presentation to be done within a future timeframe

Conclusions:
As Aidan carries a background in Cybersecurity, the topic that was agreed upon was topic 7, which involves types of cyber-attacks and how to defend against such attacks

Agenda item:	Distribute tasks among team members	Presenter:	Aidan Blackmon
--------------	-------------------------------------	------------	----------------

Discussion:
Distribution of tasks among team members

Conclusions:
It was determined that Aidan spearhead the organization and creation of the presentation, while Lorenzo was to perform further research into cyber attacks to supplement the final presentation
